Dear parents/guardians,

Firstly, I hope this letter finds you and your family well.

I am writing to ask for your support as we launch our **OLOL Fundraiser Lotto on 19th March**. This will be a weekly lotto draw running throughout the year.

The cost is €2.50 per line, or €5.00 for three lines per week. I would greatly appreciate it if you could support the initiative by joining. If possible, I would encourage the €5.00 option, as it offers the best value.

I have previously been involved in implementing a similar fundraiser in my parish and it proved transformative in supporting our community. Beyond the financial benefit, it also created a great sense of excitement and connection each week. I hope this initiative will generate a positive buzz within OLOL and further strengthen our presence in the wider community.

Each week there will be a jackpot prize and if it is not won, there will still be a guaranteed €20 weekly winner. For the first few draws, we will also have additional spot prizes kindly donated by members of the local community to help launch the fundraiser.

You can also sign up using the following link: <https://www.ourfundraiser.ie/org/olol> or scan the QR code here

I would be very grateful if you could also share the link or QR code with others and encourage participation particularly among past pupils, parents, friends and members of the wider community. This is a great opportunity not only to raise funds but also to strengthen and reconnect our school community.

Many thanks in advance for your support.

Warm regards,

Finbar Laffan,

Principal
