Friday, 13 March 2026

Dear parents/guardians and students,

I am delighted to inform you that our **new school website** ([www.olol.ie](http://www.olol.ie)) went live yesterday. This marks a significant step forward for the school as we continue to improve our communication and online presence. The new website provides a fresh look and a modern platform for sharing information about school life, events and important updates.

I would encourage you to take a few minutes to visit the website and explore the new layout. It represents a major improvement in our school's branding and has truly transformed the appearance of our online platform.

I would also like to sincerely thank all of you who have supported our **new Weekly Lotto Fundraiser**, which will begin next **Thursday, 19th March**. We are delighted with the level of support received so far. For our first draw next week, we will have **three additional spot prizes**, and we are very grateful to the local businesses and suppliers who have generously supported this initiative. We hope to continue adding extra spot prizes each week as we build momentum for the fundraiser. If you haven't joined yet and would like to support the school, you can find the Lotto at the top of our new website, or you can sign up using the following link: <https://www.ourfundraiser.ie/org/olol> or scan the QR code here

Finally, I would like to wish you all a lovely weekend and an enjoyable St. Patrick's Day.

Many thanks in advance for your support.

Warm regards,

Finbar Laffan,

Principal
